

L'Atelier

de production visuelle gives each of us the possibility to reproduce pieces from the collection in the form of top-quality art prints in line with the highest standards in terms of printing and preservation. We see it as an additional way to take care of the collection and set in motion an open policy in terms of circulation.

-

The reproductions are available in four formats:

- 1 - 33 x 24 cm : 30 euros
- 2 - 48 x 33 cm : 50 euros
- 3 - 60 x 40 cm : 70 euros
- 4 - 80 x 60 cm : 100 euros

L'Atelier

d'encadrement newly installed framing in our storeroom serves both the collection and its visitors. We make the frames for our exhibitions there and this gives the Trinkhall scenography its unique identity. We also offer an open framing service for our prints or other proposals submitted to us.

Our frames are made with high quality materials and in compliance with museum conservation standards. We collaborate with Belgian suppliers as much as possible.
